In the last three years we have celebrated GCSE results that broke all records for both Burgess Hill School and all schools in Sussex.

Our 2009 Year Group fulfilled its potential by delivering an excellent 74.25% A* and A grades, three times the national pass rate for the top grades.

51 girls included 5 or more passes at A* or A grade representing an amazing 77% of the year group.

Over one third of our students recorded all A* and A grades.

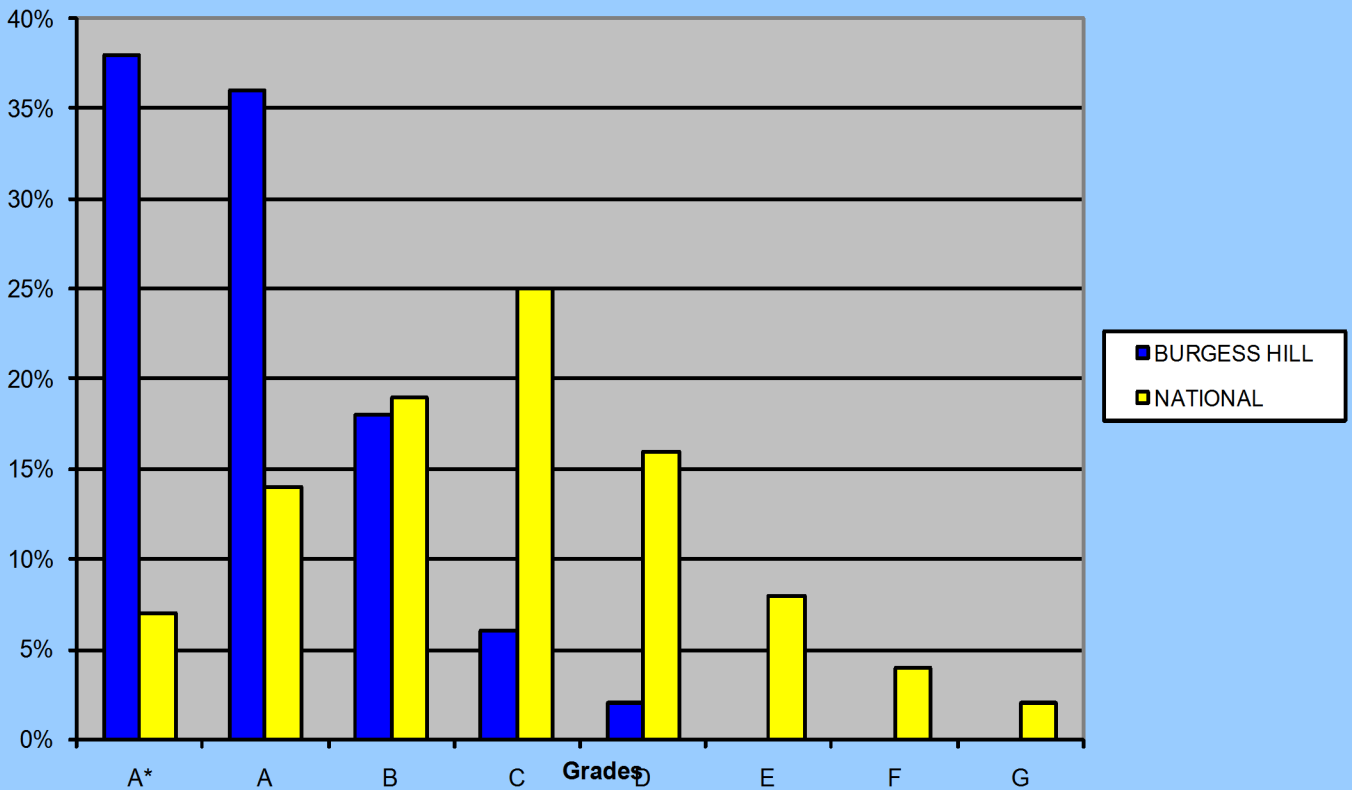

The following girls achieved 8 or more A* grades each:

Chloe DeSouza, Charlotte Frost, Ivy Ho, Kate McTear, Tanera Simons, Poppy Sparling, Emma Joslin, Sarah Lucas and Tiffany So

**86th in the table of the top 466
independent schools in the country**
(data compiled by the Independent Schools Council)

We are the only Sussex school to be placed in the top 100 schools in each of the last six years.

Burgess Hill GCSE 2009

These results reflect the hard work and commitment of both girls and staff and will provide a firm grounding for A level work and future university entry.

For the last five years our Year 11 students have achieved more than three times the national percentage of top A* and A grades that provide the best foundation for A level work. This year our Year 11 achieved six times the national average for A* grades!

Students taking the three separate science option at GCSE recorded 100% A* and A grades.
