Headmistress

Mrs J A Aughwane BSc. (Hons) CertEdNPQH

Location

The School is situated in a very pleasant thirteen acre site in the conservation area of the town. Burgess Hill is a medium sized town with its own theatre, orchestra, cinema and leisure centre. Burgess Hill is approximately ten miles from Brighton and Lewes, fifteen miles from Crawley and fifty miles from the centre of London. It is well served with fast roads – the M23 and M25. The school is close to the railway station (three minutes walk).

Facilities

The School is a blend of Victorian buildings and ultra modern facilities. There has been a steady development of the facilities and the School is engaged in a major multi million pound development project to include new Infant and Nursery Buildings recently completed and an extension to the Art and Science areas to add to the recently extended Sixth Form Centre.

Curriculum

The School offers a full range of GCSE and A-Level courses in preparation for university entrance

Pastoral care

Our pastoral system is designed to encourage and support the development of each individual girl from the moment she arrives in school until the time she leaves. We want to provide each girl with the skills and confidence which will help her to make the most of her time with us, at university and thereafter. Implicit in the school aims is the expectation that every teacher will accept responsibility for the development in each pupil not only of the highest academic standards, but also of the confidence and self esteem which comes from being valued as an individual within a community.

Extra curricular activities

Extra curricular activities give every girl wonderful opportunities to explore her own talents and develop her individual skills to her full potential.

We believe that education is about giving young people the chance to be successful in as wide a range of areas as possible, and to feel a sense of pride in their achievements.

Destination of Leavers

The majority of sixth formers go on to higher education and girls regularly achieve Oxbridge success
