

Let us tell you about Penguins

I liked it when we sprayed our felt pen butterfly and watched the colours run into each other.

Amy

I loved going to visit the Toy Museum because you get to see what the toys looked like 100 years ago.

Emma

We like playing in the castle. My favourite thing is eating fish and chips and being a 'Dinner Winner'.

Juliette

I like playing on the bike especially the two seat bike where one pushes and one pedals.

Emily C

I like doing cooking, especially the Easter egg cakes.

Lottie

We like 'choosing time'. I like the number work too.

Eleanor

I really love P.E. lessons because they are lots of fun.

Annie

We do lots of dressing up and we make cards for our family.

Isobel

I enjoy playing in the 'Vets' (role play corner) and being the nurse and looking after the animals.

Alex

I love everything about being a Penguin!

Amelia
